Responsibilities & Organization

The Sevier County Emergency Medical Services (EMS) / Emergency Management Department provides prehospital emergency care to the residents of Sevier County and those individual traveling through.

Our department is made up of six full-time employees and 85 part-time (paid volunteer) responders. We operate out of four stations (Richfield, Monroe, Salina, and Koosharem) with nine ambulances. On average, the department responds to more than 1,500 calls per year.

- How do I pay my ambulance bill?
- How do I request an ambulance for an event stand-by?
- How do I schedule a CPR and/or first aid class?

I spoke with John Hunt on ~~early~~ June 14, 2012 who confirmed that he is the director, and can sign for the county for both safety and NOI matters. He said he has been in his current position for 6 years. In the past, others have been assigned to do permitting.
